

We Sander Elektronik AG

hereby declare and guarantee that all our electronics modules have been designed and manufactured in compliance with the EU REACH (Registration, Evaluation, Authorization and Restriction of Chemicals).

REACH is a European Union Regulation of 1 June 2007 and addresses the production and use of chemicals substances, and their potential impacts on both human health and the environment.

The present declaration is in accordance with Art. 33 of the Regulation contain and meant to fulfil the customer request for product information.

We herewith state that none of the electronics modules we deliver contain any of the substances of the Candidate list for inclusion in Annex XIV and SVHC [e.g.(EGDME) (CAS No.110-71-4) at a concentration > 0,1 % by weight (1.000 ppm): <http://echa.europa.eu/web/guest/candidate-list-table>

To our current knowledge, our products do not contain SVHC in a concentration above 0.1% by weight of article.

We are continuously observing the changes on candidate list.

Any changes related to REACH regulations will be communicated in a timely manner of respective products.
